Flash forward! Moses is nearly 120 years old. No one who was wandering in the desert for 40 years is around anymore except a few good men. (Joshua and Caleb.) Moving from Numbers (Bemidbar) to Words (Devarim) means switching gears in the Torah, and Shawn Landres gives us a gentle landing. Tune in to review history and learn how not to repeat historical mistakes in the days to come!

This is Episode 44 of the weekly Torah cartoon from G-dcast.com. Each week, a different storyteller - some musical, some poetic, some just straight-up, tell the story of the current Torah portion...and then we animate it!
